Introducing a NEW Medical Option
from Centivo: **The Partnership Option**

A premium health plan, without the premium price.

NOW YOU DON'T HAVE TO CHOOSE BETWEEN CARE AND BUDGET

FREE primary care	No deductible	Predictable copays	High-quality care	Urgent care & ER coverage anywhere

It all starts with your primary care doctor.

With Centivo, you get access to trusted local doctors and hospitals, **FREE** primary care, predictable copays and no deductible.

Why does it cost less?

The **Partnership Option** is built around a simple idea: **better primary care leads to better healthcare.**

Your primary care doctor is your partner. They get to know you and your health, help you manage your care and are there when health questions or concerns come up.

Having a strong relationship with a primary care doctor can help you achieve your health goals, avoid unnecessary urgent care and emergency room visits and keep your healthcare costs lower.

Care from providers you know

Centivo partners directly with carefully selected local doctors and health systems. These partnerships allow us to offer access to care with high-quality providers at lower costs. In South Florida, this includes the **Memorial Healthcare System**, **Broward Health**, **Holy Cross Health**, **Nicklaus Children's Hospital** and **Cleveland Clinic Weston Hospital**.

Memorial Healthcare System · Cleveland Clinic Florida · Holy Cross Health · Nicklaus Children's Hospital (Where Your Child Matters Most™) · BROWARD HEALTH

Only providers employed by the health systems are considered in-network. Affiliated providers may not participate. Confirm your doctor's network status at jetblue.centivo.com.
